## an exciting 6-Day Holiday for Two in Southern Alberta!

## Mavericks Experience Reader Contest

Your prize package will include two nights (a Friday & Saturday) accommodation at the **Marriott Hotel**, located in bustling downtown core of Calgary. You'll be sure to enjoy your spacious room and we've even arranged for an All Canadian Buffet Breakfast for Two at Traders Grill. The Marriott is a 4-Star property, within walking distance of the Stephen Avenue shopping and dining pedestrian mall. Plus it is connected to the Glenbow Museum which is very convenient since your prize also includes a guided tour of the brand new **Mavericks Exhibit** at the Glenbow Museum.

The **Glenbow Museum** is very proud of their newest permanent exhibit. **Mavericks: An Incorrigible History of Alberta** tells the story of 48 hard-working, adventurous, spirited young men and women who helped shape Alberta. You'll learn about the fur traders, missionaries, cowboys, risk-takers, scientists, politicians, Mounties and Aboriginal people who helped shaped this province. You'll even find a grand display about David Thompson – the celebrated cartographer who mapped out 1/6th of North America 200 years ago!

Plus, you'll receive a Family Admission Day Pass to **Heritage Park!** Step back and experience Western Canada as it was between 1864 -1914. Ride the rails on our authentic steam train, watch the Blacksmith at

his forge, taste freshly baked bread from the Alberta Bakery, enjoy the thrills on the old fashioned midway or cruise the reservoir on the S.S. Moyie Paddlewheeler. Heritage Park offers something for everyone.

On Days 3 & 4, a representative from **The Cowboy Trail Tourism Association** will whisk you away into Southern Alberta. You'll receive two night's accommodation and free admission into four historic sites:

- In 1982 the United Nations declared the **Head Smashed-In Buffalo Jump** a UNESCO World Heritage Site. It will give you insight into the lifestyles, legends, religion and history of the Blackfoot peoples
- Attractions Canada selected the **Remington Carriage Museum** as "The Best Indoor Tourist Attraction in Canada". It is generally acknowledged to be the premier display of horse-drawn vehicles in North America
- **The Frank Slide Interpretive Centre** was built to commemorate April 29, 1903, when 90 million tons of rock crashed from the summit of Turtle Mountain and buried part of the sleeping town of Frank
- Famed western artist Charlie Russell, the Prince of Wales, and The Sundance Kid were among the famous—and sometimes infamous—characters who

graced the **Bar U Ranch** at various times.

To round out your holiday, you'll enjoy two night's accommodation in Banff National Park. You'll stay in the **Banff Aspen Lodge** – a friendly hotel of 89 spacious rooms. All rooms are freshly renovated, carefully furnished and decorated with panoramic mountain views. Amenities include a large outdoor hot tub, sauna & steam room, gift shop, wireless internet (\$), internet access terminal (\$) and laundry facilities (\$). And you'll enjoy a free continental breakfast with your stay! Best of all, you're only a 3-minute walk to all of the treasures located in downtown Banff.

And we've got some great adventures lined up for you on Days 5 and 6. While you're in Banff, you'll receive free admission for two people to the **Buffalo Nations Luxton Museum**. This museum seeks to show how the people of this land lived and adapted to their surroundings and each other prior to contact with European culture, and how they continued to adapt after European influences. Then pop over to Lake Louise where **Timberline Tours** will be all ready to give you a 2 hour trail ride for two people and you'll receive a half-day rafting experience from **Wild Water Adventures**.

## Experience the city, the country and the mountains all in one unique package.
